QFHS benefits from an active and engaged Management Committee.

It is not unusual for members who accept nomination to Management Committee (MC) to be already involved in the design and/or delivery of the Society's programs and services. A member's contribution to MC will be in addition to that.

We are sensitive to the fact that participation in MC involves a significant time and energy commitment. In addition to a monthly 2-hour meeting (currently at 7pm on the 2nd TUES of the month), members in an active and engaged MC may expect the role to absorb 2 hours per week in support of the MC's projects. In reality, those in Executive positions may find they'll need to invest more time than this to contribute to continuous improvement of the Society.

Commitment to confidentiality and privacy is necessary. Each MC member will be allocated a QFHS email address for their work on the MC.

An engaged Management Committee actively contributes to the achievement of the Society's aims and objectives via identified strategic priorities. Such a Management Committee recognises that our volunteers are our most precious asset and strives to ensure that volunteers in all aspects of the Society's programs and services feel connected and supported.

Therefore, in accepting the nomination to Management Committee, please be aware the role encompasses active contribution to

- (1) a strategic priority, and**
- (2) a liaison role.**

Each member will be formally linked to one of each. We hope to achieve universal coverage.

Please express your interest below in a strategic priority and a liaison role. If you are flexible, please express interest in a number. Members are only expected to work with one of each.

	Strategic priorities		[Examples of] Liaison roles
	Strengthen and build Membership		Print Library
	Attract and support Volunteers		Indexing, Digitising, similar projects
	Enrich our Reputation		SIG Convenors
	Improve operational effectiveness		Education
	Sustain financial viability		Membership

			Events - planning and conduct

An Induction session for the new MC is scheduled to fully brief new members on current and upcoming projects, and allocate roles and responsibilities as per your indications of interest.

Members nominating for Management Committee are requested to indicate your availability for the Induction session by crossing out the dates you are definitely not available.
