

# VOLUNTEER

## Discover exciting volunteer opportunities with the Education Team

At the Queensland Family History Society, we believe in the power of knowledge, collaboration, and community. Our Education Team is at the forefront of our mission, working closely with the Members Lounge and the Special Interest Group teams to provide our members with enriching and educational experiences.

### What We Do

Our education programs include a diverse range of presentations, workshops, training courses and peer-to-peer learning opportunities. Themes we cover in the course of a year include acquisition of both basic and advanced family history research skills and methodologies, social history (our ancestors lives in a social context), stimulating and interesting niche topics complementary to areas covered by the SIGs, and leaving a legacy (organising, recording, publishing) our family history research. We aim to ensure that our members receive a holistic understanding of family history research.

### Your Opportunity

By volunteering with our Education Team, you have the chance to make a meaningful impact. Whether you have experience in event planning, technological proficiency, or simply a passion for family history, your skills and dedication can contribute to our community. We welcome both experienced professionals and enthusiastic beginners. If you're a team player with a desire to share your knowledge and skills, we want to hear from you.

### Get in Touch

We invite you to be a part of our dynamic team and contribute to keeping our educational initiatives fresh and invigorating. Together, we can continue to provide high-quality and inspiring experiences to our QFHS members.

**To express your interest or learn more about these exciting volunteer opportunities, please complete an Expression of Interest on the Volunteers webpage.**

**Join our band of valued volunteers as we work for QFHS members to uncover the past, connect with the present, and inspire the future.**
